Dear Dr. Ravneet ji

Life usually moves in normalcy. Very few times are we tested and expected to rise to the occasion against all odds. This year, COVID-19 pandemic brought with itself unprecedented challenges before us.

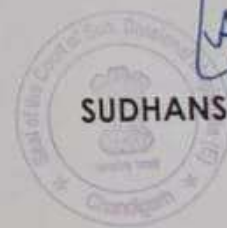

In this scenario, when everyone was stricken with fear, you were expected to be fearless and were asked to work day and night on the frontline, which you did with unfettered resolve.

I take this opportunity to express my thanks and gratitude for the hard work put in by your goodself to contain the spread of COVID-19 in East-Sub Division, UT, Chandigarh.

Your efforts have been in tune with the principles and compassion imbibed in our Constitution. The manner in which you have dealt with challenges in the containment zones, in particular, is reassuring and worth emulating elsewhere. Your dedication, commitment and courage deserves deepest admiration.

I trust you will continue to work with same commitment in future as well.

Best Wishes
