**Para 1: Non-recovery of water bill share leading to delay in deposit of receipts amounting to Rs. 2.42 lakh in Govt. Account.**

As per Receipt and Payments Rules 1983, part I Rule 6(1) "All moneys received by or tendered to Government officers on account of revenues or receipts or dues of the Government shall, without undue delay, be paid in full into the accredited bank for inclusion in Government Account. Moneys received as aforesaid shall not be utilized to meet department expenditure except as authorized in sub-rule (2) nor otherwise kept apart from the accounts of the Government".

During test check of records, it was noticed that water charges bill is shared among different users (i.e. HM, GMS sector 20-D, Principal, Govt college of education 20-D, Warden Boys hostel(2), warden girls hostel(2), Hostel Nurse) on Percentage basis criteria as decided by DDO. Further Scrutiny of records revealed that water share of Headmaster, Government Model High School sector 20-D was paid by auditee unit and amount of 2.42 lakh was still pending to be recovered. Till date, deposition/remittance of receipts in government receipt head is still pending. Thus, non-recovery of pending water charges shares leading to non-compliance of the above rule. On being pointed out in audit, no reply was furnished.

**Para 2: Non-Utilization of Ecology & Environment Grant - Rs. 0.60 lakh.**

As per GFR 2017 rule 232 (vi), The Ministries or Departments should focus attention on the attainment of the objectives and not on expenditure only. A mechanism for avoiding release of large part of funds towards the end of the year should be devised and incorporated in the Scheme design itself.

College of Education, Sector-20-D, Chandigarh prepared by the Director Environment, and Chandigarh Administration in Feb 2023 of Rs. 0.60 lakh for the financial year 2022-23.

The above grant for carrying out preparation of Herbal Garden of Rs. 0.60 lakh for the financial year 2022-23 was released in March 2023. The department had utilized the above grant in

As per Central Treasury Rules 635 of Vol I, all the balances not exceeding Rs. 25/- unclaimed for more than three complete account years, sale, at the close of March in each year be credited to the Government also as per prospectus securities charged at the time of admission are refundable on the completion of course or earlier, if the student leaves the institution provided the refund is claimed within one year after leaving the institution.

During test check of records, it was noticed that security amounting to Rs. 2.34 lakh for the period/session 2019-20 & 2020-21 which becomes lapsed/ unclaimed after one year were lying in PLA account of the college and not deposited in the receipt head of government account. Moreover no register was properly maintained for security received and refunded. Further amount of security received from and refunded to students from the security head in a particular year cannot be calculated.. The following lapsed security (unclaimed security) had not been deposited in the receipt head of government account which is in contravention of above said rule.

**Para 5: Irregularities in maintenance of Service Books.**

Service Book is a basic record of all the events in the official life of a government employee. Provisions have been made under Rule SR 197 to 205 of FR & SR Rules Vol. I and instructions have been issued by Govt. of India from time to time.

Some service books were test checked and following discrepancies were noticed:

- According to DOPT O.M.No.2-20025/9/2014/Estt.(AL) dated 03.11.2014, copy of Adhar Card should be pasted in the Service Book of each government employee but this was not done in most of the service books test checked.
- As per provisions for maintenance of service books, recent passport size photograph duly attested by the competent authority should be pasted on the front page (Bio Data) of the service book. Since day of joining of service, recent passport size photo was not pasted and attested in most of the service books.
- Recent details of family members should be pasted in the service book. This was also not done in any service book.
- Nomination forms for GPF/Insurance scheme/Pension/Gratuity etc. should be obtained from the government servant after marriage and pasted in his/her service book. This was not done in any service book.
- Service Book of each government servant should be got seen by the concerned officer/ official once in a year and obtain his/her initials on account of having seen the service book. But this was not done in any case.
- Each & every entry made in the service books must be attested by the competent authority. But this was not done in most of the service books.

same financial year and detailed utilization certificate also had not been submitted yet. Thus, compliance of the above rule was not ensured by the department. this resulted in non-attainment of objective in required time and deprivation of benefits to the end users. On being pointed out in audit, no reply furnished by the department.
