GOVERNMENT COLLEGE OF EDUCATION, CHANDIGARH

IQAC MEETING MINUTES

30.04.2022

The meeting of Internal Quality Assurance Cell was held on 30.04.2022 at 10:00 am. The meeting began with coordinator IQAC introducing the agenda of meeting. The Chairperson and the Principal also emphasized the importance of introducing and sustaining the quality measures for development of the institution. The area councilor Mrs. Taruna Mehta also assured of the wholehearted cooperation to the college during all the related initiatives.

The suggestions given by the house related to agenda are as follows:

1. It was proposed that the process of implementing Value Added or Certificate courses should be initiated. The placement cell and skill development committee should take initiative in this direction. The approval of the University along with related rules and requirements should be sought.
2. There are many institutions in the city like Government College of Yoga Education and Health, Regional Institute of English and Government Rehabilitation Institution of Intellectual Disability which can help us in achieving our Educational, Research and Extension goals and our college can also be an asset to these organizations for achieving their educational objectives. As our faculty regularly visits these institutions so Memorandum of Understanding should be signed with these institutions and student/faculty exchange programmes should also be initiated.
3. For promoting the health and well-being of the students various yoga sessions will be organized with the collaboration of faculty of Government college of Yoga education and Health on regular basis for day-scholars as well as hostel students.
4. As Eco- Club of the college is already working for creating awareness regarding environment sustainability; more measures are needed to be incorporated for the beautification of the campus, displaying boards and slogans at the required places, Waste

Management, Energy and Water Conservation, Plastic free campus etc. If required, environment fund can be used for eco-club activities.

5. It was proposed that Alumni participation must be encouraged in all the activities of the college including seminars, conferences, extension lectures, hostel activities etc. If required, student welfare fund can be used for the related activities.
6. Outreach activities should be enhanced to strengthen the relationship of Pupil teachers and community. Online platform can also be used to create awareness regarding health and mental well-being. Various NGOs can be contacted for smooth conduct of outreach activities.
7. Faculty Development programmes and Training of Non-Teaching staff are to be organized. Workshop should be held for Teaching as well as Non- Teaching staff regarding creating orientation towards central services rules. It was also suggested to hold the training regarding soft skills, Information and Technology, code of conduct, administration and financial matters etc for the non-teaching staff members.
8. As we have various facilities for differently abled students, Campus should be made more disabled friendly by introducing various measures for these students. Special students who have been alumni of the college can be invited for delivering the lectures and motivating the students. Student Welfare Fund can be used for introducing and enhancing these measures.

15. Mr. Anshul Rana (President, Literary and Cultural Society of the college)
16. Mr. Bharat Sharmas (President NSS Units of the College)
17. *NAAC Committee Members*

The meeting started with a welcome note by Chairperson Dr. A.K. Srivastva who formally extended the welcome to all the members of Internal quality assurance cell. During the meeting pertinent points regarding quality improvement were discussed in details. The agenda of the meeting was:

- Curricular Planning and Enrichment
- Adopting student centric approach
- Documentation/ reports of all the activities from the respective departments (with geo tagged photographs where ever required)
- Strengthening feedback mechanism
- Any other.

Agenda 1 Curricular Designing and Enrichment

NAAC/IQAC requirements of organized curriculum planning and enrichment at institutional level were discussed. Formulation of a Curriculum Committee was proposed. Prof. Sunil Dutt endorsed that curriculum should be designed and enriched with activities and pedagogy teachers should be involved in the process.

Furthermore, setting up a Curriculum laboratory/room was proposed which can also be equipped with Sessional work and good teaching aids submitted by student teachers.

Agenda 2 Student Centric Approach

It was decided that student centric approach needs to be strengthened and students' participation should be sought in curriculum designing, fulfilling institutional responsibilities, providing various support and learning facilities. Class representatives can be selected so that student involvement can be encouraged.

Agenda 3 Documentation of All Activities

It was proposed that documentation of all the activities including teaching related activities should be maintained with geo tagged photographs. The college is already conducting a lot of activities and teachers are teaching to the best of their abilities but desired documentation will highlight the diligent efforts of faculty and also fulfill NAAC requirements.

The issues related to data uploading as desired by NAAC and role of respective subcommittees in data compilation was discussed. Dr. Sunil Dutt said that as per the requirements of NAAC, the sub committees must be formulated to facilitate collection of data related to the respective criteria. Dr. Sapna Nanda, Dean of the college also endorsed the viewpoint that subcommittees need to facilitate core committee of NAAC with desired data as per the allocated criterion for timely submission of AQAR.

Agenda 4 Strengthening Feedback Mechanism

It was enunciated that feedback system being adopted by the college should be upgraded. Prof. Sunil Dutt recommended that all the stakeholders should be included in this mechanism. He further added that feedback form should be displayed on college website. The obtained feedback should be analyzed objectively for incorporating new practices for quality improvement and action taken report to be displayed on college website.

The meeting concluded with a vote of thanks by Dr. Anjali Puri for valuable inputs from IQAC members.
