

GOVT. COLLEGE OF EDUCATION, SECTOR 20-D, CHANDIGARH

NOTICE

23.1.2021

Internal quality assurance cell of the college would like to apprise all the students of B.Ed., M.Ed. and PGDGC that there are various Free Massive online open courses (MOOCs) available on Swayam Portal (swayam.gov.in), an initiative by Govt. of India. These courses are designed by highly experienced faculty of various prestigious institutions across the country and are spread across various disciplines. Students can pursue these courses which can supplement their knowledge and enable them to carve out a niche in their educational as well as vocational pursuits. Various free online courses are also available on other renowned platforms like Google, Coursera, edx etc. which are designed by prestigious universities including Ivy league universities and other reputed institutions of the world (pricing policy must be read carefully before enrolling for any free course). These courses range from one hour to few weeks and can be studied as per the convenience (anytime, anywhere mode). The guidance of faculty can also be taken regarding selection of courses depending upon their areas of specialization.

Students who enrol for any course on the above mentioned and other online portals are directed to inform Incharge IQAC Dr. Anjali Puri and submit a copy of certificate to IQAC Cell of the college on completion. *to email id iqac20d@gmail.com.*
