

GOVERNMENT COLLEGE OF EDUCATION, SECTOR -20, CHANDIGARH PROMOTING

GOVERNMENT of INDIA NEP-IKS and G20 PRESIDENCY PROGRAM

WITH IT'S INDIAN KNOWLEDGE SYSTEMS (IKS) PARTNER LOKAYURVED WELLNESS CONCEPT

॥लोकयुर्वेद॥[®]
The Wellness Revolution

Knowledge (**Samgra Shiksha**) Enlighten us in true sense only when it is Perfect, Eternal (Timelessly true) , Applicable in daily life and Covers all aspects of life but it is observed that current education systems are lacking such qualities and there is a greatest and utmost need to enhance it. Now the question arises that from where to get this above type of Complete Knowledge then the answer will be only one that is through inclusion of **Indian Vedas means Indian Knowledge Systems**. Globally also, it is a well known that only Indian Vedas are the Unlimited and Eternal source of all knowledge.

Accordingly, Ministry of Education, Government of India in its latest National Education Policy (NEP) clearly instructed for the integration of IKS with Current Education Systems. Besides this, G20 India's Presidency Program also has similar vision to enhance the wisdom of Current and Future Educators and Teacher Educators at global level.

GCECHD strongly supports the above vision of Ministry of Education, Government of India. To implement the same, GCECHD has recently done MOU with the LOKAYURVED Wellness Concept team as Ayurveda wellness based Knowledge, Concept and Training Partner of GCECHD.

Please note that GCECHD is the first college in the Union Territory (UT) who has done such MOU to promote IKS among Education Faternity. LOKAYURVED is a wellness concept consists of team of Ayurveda experts working Pan India to promote the **Swasthya Sutras** of Ayurveda Scripture.

We have mutually designed a **10- Hours Integrated Ayurved and Yog Scripture based Wellness Awareness Capacity Building Program for Educators** and approaching the UT colleges to conduct the same. Yog Experts for this integrated program will remain from the Government college of Yoga Education and Health, sector -23, Chandigarh. The program is already approved from Department of Higher Education, Chandigarh under Rashtriya Uchchar Shiksha Abhiyan (RUSA), a Centrally Sponsored Scheme (CSS). Three UT colleges have already conducted this training viz : GCYEH, sector 23; MCMDAV , sector 36A ; GCECHD, sector 20. Draft Proposal has also been sent to Prestigious Panjab University, Chandigarh by our partner to conduct the same under RUSA.

GCECHD invites all UT colleges to contact us for the above program to educate their educators to know the concept, ways and importance of IKS integration in Current education systems to overcome the lacking avenues of current learning systems.
