

**GOVERNMENT COLLEGE OF EDUCATION, SECTOR-20-D,
CHANDIGARH**

NOTICE

DATED: 16.02.2024

Innovation Cell and Science Club 'Navonmesh' of the college is organizing a two days workshop on the theme 'Innovations in Teaching Science' focusing on 3-D printing and Robotics on 21st and 22nd February, 2024 from 10.00am onwards in the Science Room of the college. All the students having Pedagogy of Science/ Physical Science and Life Science are required to be in the Science room on both these days at 9.30am. You are required to inform your School mentor and the TG in-charge regarding this.

Note: All the TG in-Charges are requested to facilitate/ allow the science students to attend this workshop on said days.
