Report of Inter-college Games 2022-23

Panjab University, Chandigarh

The Punjab University, Chandigarh, recently organized inter-college games From March 20, 2023 to March 25, 2023. The games were held on the university campus and saw participation from various colleges under the university. The games were not only a platform for the students to showcase their sporting talents but also brought them together in the spirit of sportsmanship. Our College Participated in Yoga, kho-kho, Basketball, volleyball, Table-tennis and Badminton.

The games were held in different venues around the campus, and the venues were appropriately arranged to provide the players with the necessary support. For instance, the basketball and volleyball courts were fitted with good quality flooring, and the cricket ground was equipped with proper umpires and ground staff.

Our College Won in various games
