PLACEMENT CELL

REPORT ON PLACEMENT DRIVE ON 28.07.2023

(KACCHI SADAK FOUNDATION AND SHOOLINI UNIVERSITY)

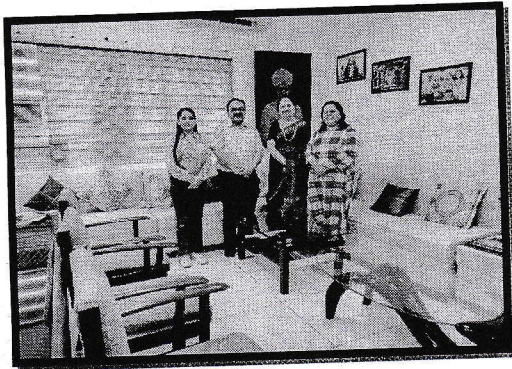

Placement cell of the college, under dynamic leadership of Principal, Dr.Sapna Nanda, organised Placement Drive for the students of PGDG&C, M.Ed. and B.Ed. course. The drive was conducted for recruitment as vocational and allied counsellors and also in education and marketing division of the Shoolini University. Parallel to this, another placement drive in collaboration with Kacchi Sadak foundation, a NGO, working with school education department, was carried out for the outgoing batch of B.Ed., session 2021-2023.

Almost 50 students of B.Ed. semester IV appeared for the interview out of which 12 students were selected as Teacher-interns. A team from Kacchi Sadak foundation, headed by Ms. Neha an NGO, apprised students about the roles they need to perform as as teacher-interns. Also, students were assured of appropriate remuneration and an experience certificates for their rendered services. Effort put in by the placement cell to conduct this drive was much appreciated by students as they had just finished with their final examinations and results were expected in June/July, 2023. The students were excited about the exposure to the world of work and this experience of teaching as interns in Government Schools of Chandigarh for six-months would add value to their CV and enrich their learning experience as a professional. Skill-in-Teaching committee incharge, Dr. Kusum contributed in successful conduction of the event.

Mr. Tarun Gupta from Shoolini University along with his team interviewed students. Students were asked to appear for interview at seminar room of the college 10:00 am onwards. Students were required to bring their original documents along-with their detailed CV. As many as 20 students appeared for the interview and almost 12 out of them were selected for further interview with the panel of experts. Mr. Tarun was pleased with the student participation and appreciated their enthusiasm.

The placement drives were successfully organised by the Placement Cell Co-ordinator Ms. Ravneet Chawla and Team member Dr. Upasna Thapliyal. Both the events were organised in succession to the MOU signed with Shoolini University and the college.
