2014-15

BLOOD DONATION CAMP

Government College of Education witnessed a day long camp organized by NSS and Red Ribbon Club (RCC) of the College on 24 September 2014. It was earmarked with a Blood Donation camp which was carried out by the Rotary and Blood Bank Society Resource Centre, Sec-37A, Chandigarh. It was led by Dr. Yograj Angrish, Co-coordinator NSS Panjab University along with group of Doctors. Lot of excitement was witnessed on the campus.

Dr. Roli Agarwal, Blood Transfusion Officer led the programme. Mrs. Sukrita, member Blood Bank Society, Chandigarh settled the worries of the students and provided information regarding this camp. Few misgivings were removed and queries handled effectively. She told that blood volume is regained within 48-72 hours and cells of blood get replenished in 3-4 weeks. She laid stress on the fact that blood donation is also beneficial for the donor as it thins down the blood thereby reducing the cholesterol level. Also, a healthy donor can repeat the donation after every 90 days period. A healthy male person can donate 450 ml of blood in a single giving and 350 ml can be donated by a female. All the students seemed eager to participate in the noble cause which was quite evident from a list of 106 volunteers. However, students were allowed to give donation only after a proper screening through, a weight to height index ratio, haemoglobin level and general health to ensure their medical fitness.

The event was inaugurated in room No. 3 by the Chief Guest Dr. Yograj Angrish. He encouraged and congratulated the donors for being a part of a noble act. Each donor was provided a certificate and a gift along with a healthy refreshment of milk, bananas and other snacks. A total of 22 students and 6 faculty members donated blood making it a successful camp.

POSTER MAKING AND SLOGAN WRITING COMPETITION

Government College of Education observed a colorful and awareness event of Poster Making and Slogan Writing Competition on 19th November, 2014 organized by Red Ribbon Club of the College.
