GOVERNMENT COLLEGE OF EDUCATION, SECTOR-20-D, CHANDIGARH

REPORT OF WORKSHOP ON SCRATCH SOFTWARE FOR SCIENCE STUDENTS ORGANISED ON 15TH & 16TH JULY, 2021.

The faculty of Science Department of the college, Dr. Sanjeev Kumar, Dr. Sheojee Singh and Dr. Lilu Ram has organised a two day workshop on the software 'Scratch' for science students on 15th & 16th July, 2021 from 3.00pm – 4.00pm through Google meet. Dr. Meenakshi Jindal, Lecturer Physics, and Mr. Sarthak Singh, Mentor of Change , Niti Ayog, for Atal Tinkering Lab (ATL), Carmel Convent School, Sector-9, Chandigarh acted as resource persons for the workshop. Dr. A.K. Srivastava, Principal, Government College of Education, Sector,-20-D, Chandigarh inaugurated the session and welcomed the resource persons. Thereafter Dr. Sanjeev Kumar introduced the resource persons. Dr. Meenakshi Jindal talked about the Atal Tinkering Labs and informed the students about the Governemnt of India's Initiative to set up 20000 ATL labs throughout india for which they are given 20 lakhs to set up the lab. the work and importance of ATL labs was also highlighted by her and motivated the would be teachers to learn the things as they have to take up the initiatives in the schools in which they are going to work.

Mr. Sarthak Singh took a practical session of the students for two days. Students were taught about the intricacies of the Scratch software, how it can be used and for what purpose it can be used? Students were given the training to work on the software and create innovative things to be used during the teaching learning process. The session ended with the vote of thanks by the student Ms. Simran Khosla on the second day, that is, 16th July, 2021. Students enjoyed the session and were excited to learn more things.
