**Extension Lecture 25<sup>th</sup> November 2021**

### **Report**

Extension Lecture committee of Government College of Education, Sector-20D, Chandigarh organized extension lecture on the topic Teacher-Student Connect on November 25, 2021. The resource person of the day was Dr. Renu Somal Sandhu, former Head, Dept. of Psychology, PGGCG-11, Chandigarh. Dr. Savita Arya, Vice-Principal of the college welcomed the speaker. Dr. Nisha Singh Incharge, Extension Lecture Committee introduced the speaker. Dr. Renu Somal Sandhu talked about development of positive teacher-student connects. She explained teacher's responsibilities and strategies to manage with individual differences and for developing interest in subject. She detailed her lecture about how to be a good teacher to develop best in child. She told about value education, empathy, non-judgmental acceptance, verbal abuse, adolescent issues, self-discipline, gratitude, and time management. She concluded that successfulness of students is the actual reward to the concerned teachers. It was followed by query session where students' doubts were cleared. At the end of the lecture, Dr. Suman Khokhar from extension lecture committee extended warm gratitude to Dr. Renu Somal Sandhu for delivering the knowledgeable lecture. She also thanked all the faculty members and students for making this event successful.
