### 7.3.1

#### **Performance of the institution in one area of distinctiveness related to its vision, priority and thrust**

**Ans: The One Area of Distinctiveness related to Vision, priority and Thrust is 'Enabling Pupil Teachers to become Effective Teachers and Nation Builders'.**

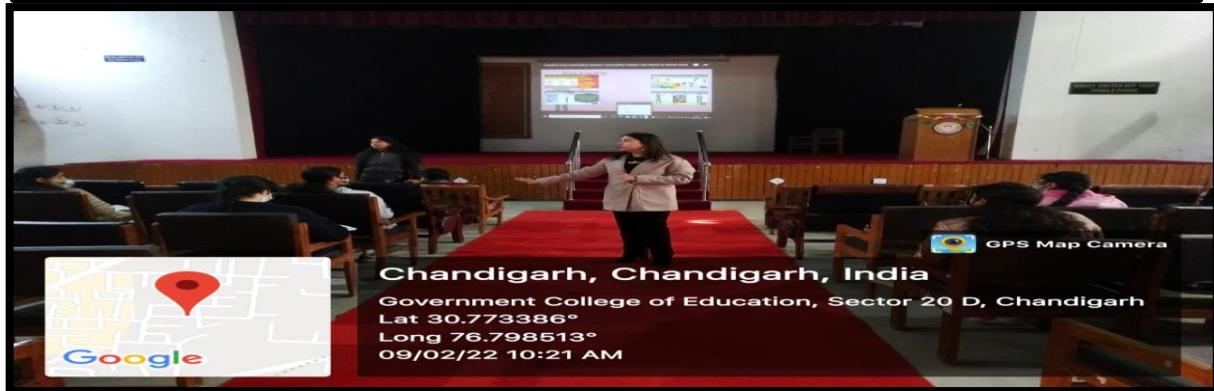

**Capacity Building and Skill Development Initiatives:** Focussing on the aim of skill development and future readiness of the students, our college organized a three days Workshop on Skill Development under the aegis of Skill Development Committee, IQAC and the Placement Cell of the college. The aim was to infuse 'Capacity Building on Life Skills and Hands on Training' (29th – 31st March, 2022). In addition to it, Skill in teaching committee and Placement Cell of the college organized a 10 days Employability Enhancement Training Program for the B.Ed. students of the college from 7th February to 17th February 2022; As an International Collaboration a Capacity Building Training Program for Transformative Teaching was conducted for pupil teachers of the college. The training was an international collaboration with the SARS Technology & Innovations Pvt. Ltd, a Dubai based organization, the International Chamber for Service Industry (ICSI) aimed to equip prospective teachers with the necessary skills and knowledge for transformative teaching practices and the development of global competencies. This international training program, was conducted online from March 17, 2023, to May 4, 2023 and utilized digital platforms (Zoom meeting, Youtube etc.) to deliver multiple sessions of three hours each that added for more than 30 hrs training. Approximately 100 students from the first and second-year B.Ed. classes of ongoing session of 2023 participated in the program. Also, to help students have an insight into the problems of the education at ground level, Department of Education, Schools Chandigarh Administration (in collaboration with Kachi Sadak NGO) organized the Baseline Assessment for Grade 3rd to 5th from 20th April to 30th, April 2023. The baseline assessment was organized in order to identify the foundational literacy and numeracy and pre-plan early intervention towards the gaps. In order to make each student capable for the future and provide them with the good base for future education and future challenges in life, the assessment was conducted for each student of the Government Schools both in rural and urban Chandigarh. Our college students participated enthusiastically in the project. 102 Students of B.Ed. Semester IV of our college and the Coordinator of college for NAS, facilitated the 6 field sessions/duties that covered more than 100 Government schools under the Chandigarh Administration.

**Teaching Skill and Teaching Aids Training and Competitions:** The institution is able to create a conducive environment for nurturing the capabilities of the future teachers in such a way that they become experts in not only content and methodology but also in planning, organization, management, and execution of various extension and co-curricular activities in the institution they join in future, thereby becoming ideal role models for their students and are continuously able to inspire their students to excel in all areas of life with confidence, skillfulness, and positive attitude. One such example is that the prospective teachers are trained to make lesson plans, deliver lessons and make teaching aids for making their teaching more interactive and interesting. Afterwards teaching aid competitions are held in which students of all the pedagogy subjects enthusiastically participate. This trait is duly recognized and appreciated while students are attending internships and paves a way for their professional growth.
