Jun 11, 2022

Samiksha Singh

has successfully completed the online, non-credit Professional Certificate

Google Data Analytics

Those who earn the Google Data Analytics Professional Certificate have completed eight courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for introductory-level roles in Data Analytics. They are competent in tools and platforms including spreadsheets, SQL, Tableau, and R. They know how to prepare, process, analyze, and share data for thoughtful action.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.

COURSE CODE: H807_1

Accessibility of eLearning

<https://www.open.edu/openlearn/education-development/education-careers/accessibility-elearning/content-section-0>

Course summary

It is part of a teaching professional's skills to understand the needs of a diverse population of students. This free course, Accessibility of eLearning, introduces the challenges for disabled students who may use computers in different ways when taking part in eLearning or may need alternative teaching methods. It covers the technology and techniques used by disabled students, the adjustments to teaching methods that might be reasonable, design decisions which affect the accessibility of eLearning tools and strategies for evaluation.

Learning outcomes

By completing this course, the learner should be able to:

- discuss the main challenges facing disabled students with respect to eLearning.
- have an understanding of the types of technology used by disabled students.
- consider what adjustments you might make in creating eLearning materials to ensure they are accessible and usable.
- consider appropriate ways to evaluate the accessibility and usability of your eLearning materials.

Completed study

The learner has completed the following:

Section 1

Introducing accessibility and disability

Section 2

A brief overview of assistive technology

Section 3

Creating accessible eLearning content

Section 4

Evaluation of accessible eLearning

Section 5

Conclusion

Section 6

Keep on learning
