

GOVERNMENT COLLEGE OF EDUCATION, SECTOR-20-D, CHANDIGARH
(Report) World Water Day Dated: - 22-03-2025

Parijat Eco-Club of Government College of Education, Chandigarh celebrated the world water day on 22-03-2025 in collaboration with NSS Cell of the college. Theme of the day for 2025 is "*Glacier Preservation*,". The students of the M.Ed department performed a Nukkad Natak (street play) on the theme of water conservation and its sustainable use. Through their powerful performance, they showcased the dangers of water wastage, pollution, and the need for collective responsibility to protect this vital resource. The play was highly engaging and thought-provoking, leaving a deep impact on the audience.

Komal, a student B.Ed. IV Sem. of the college, delivered an inspiring speech emphasizing the importance of water in our daily lives and the urgent need to conserve it. She discussed the global water crisis, the effects of climate change on water resources, and small steps individuals can take to save water. Her speech was well-researched and motivated everyone to take action.

As a gesture of gratitude and awareness, students interacted with the gardeners of the college and discussed the importance of water conservation in gardening and plant care. They shared techniques like rainwater harvesting, drip irrigation, and reducing water wastage in maintaining the greenery of the campus. The gardeners appreciated the students' efforts and shared their own experiences in using water wisely. This event was a meaningful step towards building a water-conscious society, reminding everyone that every drop counts! Principal of the college Dr. Renu Verma congratulated the staff and students for the successful organization of the event.
