- There were no complaints or issues related to SC/ST/OBC.

### 2. Any Other

- As students requested that during PTM the parents are required to attend the meeting in person which is sometimes not possible for some parents/guardians due to various reasons, so if the PTM could be organized online for such parents/guardians.
- Regarding the issue the committee suggested that to maintain transparency in the process the students are required to bring their parents or local guardians for the PTM. So it suggested that in case the parents cannot appear for the meeting the student can bring upon their local guardians for the same. In special cases, meeting can be held online as per instructions of the head of the institute.
